

The Northamptonshire Classical Guitar & Lute Society

The Northamptonshire Classical Guitar and Lute Society is a not-for-profit organisation for amateur, student and professional classical guitarists, lutenists and musicians of similar historical, acoustic stringed instruments as well as for the non-performing enthusiast.

We meet on the second Sunday of each month between 2pm - 4pm at the historic All Saints' Church on George's Row in Northampton. We offer our members an opportunity to interact both musically and socially in a friendly non-competitive environment. New members are always welcome.
